RESEARCH PROJECT

1998 - present **Co-investigator with Dr. Mary Jane Esplen.** Development of a Supportive-Expressive Group Counselling Approach for individuals predisposed to develop breast cancer of colorectal cancer.

1995 - present **Co-investigator with Dr. Beth McCay.** Short-Term Group Intervention for Individuals Recovering from a First Episode of Schizophrenia.

1993 - present **Co-Principal Investigator with Dr. Pam Goodwin.** Supportive Expressive Group Psychotherapy in the Treatment of Women with Metastatic Breast Cancer.
Evaluation of the impact of a specific group therapy intervention in the quality of life and survival of women with advanced breast cancer.

1992 - present **Fellowship supervisor of Dr. Shelley Doumani.** Time-Limited Interpersonal Group Psychotherapy.
Evaluation of the effectiveness of time-limited group psychotherapy centred on a clear collaboratively identified interpersonal focus.

1991 - 1992 **Fellowship supervisor of Dr. Shelley Doumani and co-investigator with Dr. Mark Sobell.** Brief Interactive Group Psychotherapy with Substance Dependent Individuals.
Evaluation of the effectiveness of brief interactive group psychotherapy in the prevention of relapse in substance dependent individuals.

1990 - 1991 **Fellowship supervisor of Dr. Leo Murphy and Co-investigator with Dr. A. Collings, and Dr. John Salvendy.** The Experience of Neophyte Group Therapists.
Evaluation of the training experience and functions of supervision for residents beginning to do group psychotherapy.

1980 - 1981 **Co-investigator with Dr. Irvin Yalom and Michael Norden.** Inpatient Group Psychotherapy.
Evaluated inpatients' perceptions of the therapeutic aspects of inpatient group psychotherapy.

FOCUS GROUP/RESEARCH PROPOSALS

Member - Focus Group Research Proposals. Psychotherapy Practice Network.

C. Research Funding

1. GRANTS, CONTRACTS AND CLINICAL TRIALS

PEER-REVIEWED GRANTS

FUNDED

- 2017 Sept-2020 Aug **Co-Investigator** Tasca, G.A., Ravitz, P., Ogrodniczuk, J., Hunsley, J., Balfour, L., Joyce, A., Sylvestre, J., Weins, A., Ritchie, K., McMMain, S., & **Leszcz, M.** (2017 – 2020). Therapeutic Alliance Tensions and Repair in Psychotherapy Practices: A Psychotherapy Practice Research Network (PPRNet) Proposal. Funded by the Canadian Institutes for Health Research. \$321,000.
- 2012 Jul - 2013 Jun **Co-Investigator.** Scanning the way ahead: Developing a shared vision of practice-based psychotherapy research in Canada. Canadian Institutes of Health Research (CIHR). Planning and Meeting Grant. Collaborator(s): Tasca, GA, Balfour, L, Gandhi, J, Hansley, J, Joyce, A, Kinley, J, Koszycki, D, **Leszcz, M**, Lybanon-Diagle, V, Mercer, D, Ogrodniczuk, J, Ravitz, P, Ritchie, K, Sylvestre, J, Talbot, J. 24,410 CAD. [Grants]
- 2012 **Co-Investigator.** Reducing Avoidable Mental Health and Addictions Emergency Visits: Identification, Integrated Care Planning and Care Coordination. BRIDGES. The Toronto Mental Health and Addictions Acute Care Alliance. PI: Stergiopoulos, Vicki. Collaborator(s): Don Wasylenki, Adair Roberts, **Molyn Leszcz.** 165,000 CAD. [Grants]
- 2010 Jul - 2012 Jun **Co-Principal Investigator.** Enhancing Supervision of Psychotherapy (ESP). University of Toronto. Faculty of Medicine Education Development Fund. Collaborator(s): Ravitz, P and **Leszcz, M** (Co- PIs) Lancee, B and Maunder R. 20,000 CAD. [Grants]
- 2007 Apr - 2009 Jan **Co-Investigator.** Education and Support to Increase the Resilience of Healthcare Workers Facing Pandemic Influenza. Canadian Institutes of Health Research (CIHR). PI: Maunder, R., Lancee B. Collaborator(s): **Leszcz, M.**, Hunter, J., Hynes, P., Peladeau (Co-Investigators). 165,000 CAD. [Grants]
April 1, 2007 to January 31, 2009.
- 2005 Jul - 2006 Jun **Co-Investigator.** A Proposal for a Research Centre: Studies in Group Intervention Research. Ryerson University (Toronto, ON). Faculty of Community Services Strategic Investment Research. Collaborator(s): McKay, B, Beanlands, H, **Leszcz, M.** (Co-Principal Investigators). 10,000 CAD. [Grants]
Co-investigator: My role involves consultation to the PIs regarding models of group therapy intervention, extending the work begun in study 7 cited above.
- 2004 Jul - 2006 Jun **Co-Investigator.** A Randomized Controlled Trial of a Group Intervention for Women with a Family History of Breast Cancer. National Cancer Institute of Canada (NCIC). Canadian Breast Cancer Research Alliance. PI: Esplen, MJ. Collaborator(s): **Leszcz, M**, Hunter J, Wong J, Warner E, Meschino W, Messner S, Glendon G, Thompson A, Hoch J (Co-Investigators). 136,540 CAD. [Grants]
Co-investigator: My responsibility in this study was ensuring standardization of the group intervention and the competent administration of the group therapy. This involved consultation to the Principal Investigator and the team of therapists in the study, including review and evaluation of videotapes of ongoing clinical trial psychotherapy groups. \$68,270 per year for two years.

Molyn LESZCZ

- 2004 Jul - 2005 Jun **Co-Investigator.** Teaching Health Professionals to be Collaborators for Patient Centred Care: A Faculty Development Proposal to Develop Leaders in Interprofessional Education. Royal College of Physicians and Surgeons of Canada (The). CanMEDS Research and Development. PI: Oandasan, I. Collaborator(s): Silver, I, **Leszcz, M**, Robb, A, Richardson, D, Wong, D, Barker, K. (Co-investigators). 25,000 CAD. [Grants]
Co-investigator: I provided direction to the team of educators regarding the impact of group process and group dynamics in the training of interprofessional educators. This included both conceptual input generally and direct leadership of one of 5 training modules.
- 2004 Jun - 2005 Jun **Co-Investigator.** Improving Doctor-Patient Communication by New Family Physicians in Difficult Treatment Situations: Coaching Communication using Simulated Encounters. Physicians Services Inc. PI: Ravitz, P. Collaborator(s): **Leszcz, M.**, Rockman, P., Maunder, R., Hunter, J., Lancee, W., Wong, J. (Co-Investigators). 78,500 CAD. [Grants]
Co-investigator: I shared responsibility with the PI for the development of the training modules, their manualization and the direct coaching of participants.
- 2002 Apr - 2005 Mar **Co-Investigator.** A Group Intervention to Promote Healthy Self-concepts and to mitigate self-stigmatization and Engulfment in First Episode Schizophrenia. Social Sciences and Humanities Research Council of Canada (SSHRC). PI: McCay, B. Collaborator(s): **Leszcz, M.**, Zipursky, R., Roy, P., Andeen, L, Beanland, H, Ryan, K. (Co-Investigators). 168,830 CAD. [Grants]
Co-investigator: I shared responsibility for the grant renewal and subsequently ensured standardization of the group intervention and the competent administration of the group therapy. This involved consultation to the Principal Investigator and the therapists in the study, including review and evaluation of videotapes.
- 2001 Jul - 2004 Jun **Co-Investigator.** A Randomized Control Trial of a Group Intervention for Women with a Family History of Breast Cancer. National Cancer Institute of Canada (NCIC). Canadian Breast Cancer Research Initiative. PI: Esplen, MJ. Collaborator(s): **Leszcz, M.**, Hunter, J., Glendon, G., Toner, B., Liede, A., Hanna, D., Stuckless, N., Narod, S., Meschino, W., Bell, M., Warner, E., Wong, J.K Hoch, J. (Co-Investigators). 261,815 CAD. [Grants]
Co-investigator: My responsibility in this study was contributing to the renewal and subsequently ensuring standardization of the group intervention and the competent administration of the group therapy. This involved consultation to the Principal Investigator and the team of therapists in the study, including review and evaluation of videotapes of ongoing clinical trial psychotherapy groups.
- 2000 Jul - 2001 Jun **Co-Investigator.** The Canadian Group Intervention Research Network: Enhancing Quality of Life in Chronic Illness. Social Sciences and Humanities Research Council of Canada (SSHRC). PI: McCay, B. Collaborator(s): **Leszcz, M.**, Devins, G., Beanland, H., Esplen, M.J. (Co-Investigators). 30,000 CAD. [Grants]
Co-investigator: Shared responsibility for the conceptualization and early implementation of a national network of practitioners and researchers working in group therapy with medically patients.
- 1999 Jul - 2001 Jun **Co-Principal Investigator.** "A Multi-centre Randomized Trial of Group Psychosocial Support in Metastatic Breast Cancer". National Cancer Institute of Canada (NCIC). Canadian Breast Cancer Research Initiative. PI: Goodwin, P. Collaborator(s): **Leszcz, M.**; Pritchard, K.J., et al. (Co-Principal Investigator). 118,810 CAD. [Grants]
Co-Principal Investigator: My responsibility was in co-authorship of the grant renewal with the PI, and primary responsibility for ensuring standardization of the group therapy intervention. This involved regular review and evaluation of videotapes of the groups, extensive written feedback to the groups leaders, phone consultations, and yearly training workshops. I shared responsibility for the analysis of the data, its interpretation, publication and presentation. 1999-2000 \$78,836.00; 2000-2001 \$39,974.

Molyn LESZCZ

- 1999 Jul - 2001 Jun **Co-Investigator.** The Development of a Group Therapy Intervention for HNPCC Gene Carriers. National Cancer Institute of Canada (NCIC). PI: Esplen, M.J. Collaborator(s): **Leszcz, M.**, Toner, B., Wong, J., Madlensky, L. (Co-Investigators). 112,894 CAD. [Grants]
Co-investigator: My responsibility in this study was ensuring standardization of the group intervention and the competent administration of the group therapy. This involved consultation to the Principal Investigator and the team of therapists in the study, including review and evaluation of videotapes of ongoing clinical trial psychotherapy groups. 1999-2000 \$60,712; 2000-2001 \$52,182.
- 1998 Jul - 2000 Jun **Co-Investigator.** Genetic Predisposition to Cancer: The Impact on Individuals, Families and Society. Change Foundation (The). An Ontario Hospital Association Initiative. Grant No. 98035. PI: Esplen, M.J. Collaborator(s): Hunter, J.; **Leszcz, M.**; Glendon, G. (Co-Investigators). 200,000 CAD. [Grants]
Co-investigator: My responsibility in this project was the further development and refinement of specific group psychotherapeutic interventions for the affected populations.
- 1997 Jul - 1999 Jun **Co-Investigator.** Preventing and Alleviating Trauma Following a First Episode of Schizophrenia: Evaluation of the Group Intervention. Ontario Mental Health Foundation. PI: McCay, B. Collaborator(s): Ryan, K.; **Leszcz, M.**; Seeman, M.; Goering, P. (Co-Investigators). 31,208 CAD. [Grants]
Co-investigator: My responsibility in this study was ensuring standardization of the group intervention and the competent administration of the group therapy. This involved consultation to the Principal Investigator and the therapists in the study, including review and evaluation of videotapes.
- 1996 Jul - 1999 Jun **Co-Principal Investigator.** A Randomized Trial of Group Psychosocial Support in Metastatic Breast Cancer. National Cancer Institute of Canada (NCIC). Canadian Breast Cancer Research Initiative. PI: Goodwin, P. Collaborator(s): **Leszcz, M.**; Pritchard, K.J., Arnold, A., et al. (Co-Principal Investigator). 507,842 CAD. [Grants]
Co-Principal Investigator: My responsibility was in co-authorship of the grant renewal with the PI, and primary responsibility for ensuring standardization of the group therapy intervention. This involved regular review and evaluation of videotapes of the groups, extensive written feedback to the groups leaders, phone consultations, and yearly training workshops. 1996-1997 \$204,799; 1997-1998 \$173,561; 1998-1999 \$129,482.
- 1993 Jul - 1996 Jun **Co-Principal Investigator.** A Randomized Trial of Group Psychosocial Support in Metastatic Breast Cancer. Medical Research Council of Canada (MRC). PI: Goodwin, P. Collaborator(s): **Leszcz, M.**; Pritchard, K.J., Bernstein, P., Bellissimo, A., Navarro, A., Mount, J. (Co-Principal Investigator). 588,000 CAD. [Grants]
Evaluation of the effects of group psychosocial support on the quality of life and survival rate of women with metastatic breast cancer. Co-Principal Investigator: I had lead responsibility for training of 17 group therapists across Canada and ensuring that the group therapy was delivered competently over the period of this clinical trial. 1993-1994 \$176,000; 1994-1996 \$412,000.
